I. Read the audited monthly accounts of the Board for the months of July, August and September 1906, received from the Comptroller.

Recorded.

II. Read the following estimate sanctioned by the Vice-President in anticipation of the Board's approval :—

Weeding, filling pits and levelling the old huts dismantled in E Block, Masikam Cooly Colony ... Rs. 290-6-10.

Passed.

III. Read and considered docket No. 6577—Med. 155-06-4, dated 24th January 1907, from the Secretary to Government, forwarding copy of Notification No. 5618—Med. 43-04, dated 28th December 1906, publishing draft Rules under the Mysore Vaccination Regulation.

Resolved that the Rules under the Mysore Vaccination Regulation published by Government be adopted by the Kolar Gold Field Sanitary Board, subject to the following modifications, to suit the circumstances of this special locality :—

1. That in Rule 5, for 4 weeks, adopt 2 weeks.
2. That in Rule 26, add in the end "for every such conviction."

IV. Read and recorded Government Order No. 4255—L. F. 473-05-4, dated 23rd November 1906, sanctioning the appointment of an Assistant Sanitary Inspector for the Kolar Gold Fields.

V. Read and recorded Government Order No. 6879-95—L. B. 271-06, dated 6th February 1907, sanctioning the retention of the Market establishment till the end of December 1907.

VI. Read letter No. 267, dated the 11th January 1907, from the Chief Engineer, forwarding an estimate for Rs. 11,077-8-0 for lighting the Kolar Gold Fields main road with electricity.

Resolved that Government sanction be obtained for spending Rs. 11,077-8-0 on the lighting of the main road.

VII. Read letter dated 17th January 1907, from the Chief Medical Officer, Kolar Gold Fields, regarding the conservancy of the ground alongside the new public road.

Resolved that Government sanction be obtained for the entertainment of two sweepers for the conservancy of the new public road to the west of the Field.

VIII. Read letter No. 168, dated 25th January 1907, from the Executive Engineer, Water-Supply and Stores Division, *re* the supply of Betamangala water to public buildings, villages and cooly colonies.

Resolved that the list of places where water is required be forwarded to the Executive Engineer with a request that the work be put in hand at once and carried on to completion as quickly as possible, to the extent of allotment already sanctioned, especially in Ooregum and Champion Reefs.

IX. *Resolved* also that all the Water-supply Reservoirs on the Kolar Gold Fields, including the ones already in existence be covered over considering the high winds and the risk of contamination in such a busy centre with a large floating population.

X. Read the petition of Robertsonpet merchants regarding the abolition of the daily shandy and the Robertsonpet public praying that it may continue.

Resolved that the daily shandy, as hitherto, be continued and that three rice stalls be allowed daily.

C. SRIKANTESVARA AIYAR,
President.
